Dinner Serves 6 No Red Meat

Recipe Template

Ingredients

- 1 Recipe Template
- 1 Internet Connection
- 1 Text Editor (Preferably Vim)
- Some experience with \LaTeX

Instructions

Preheat computer to 120°F. Clone this repository or download the template file.

- 1. Read through this template and figure out which of the few commands you will need.
- 2. Edit template to taste.
- 3. Put in LaTeX compiler of your choice, I use pdflatex. Compile until light golden brown.
- 4. Serve immediately.
